What is a Patient Care Team?

You get to choose!

Our care teams are made up of a primary care provider, nursing staff, behavioral health staff and other professionals. Your team will be the provider you see when you make an appointment.

How do I become a part of a care team?

1. Choose a primary care provider or PCT.
2. Let Patient Services know which PCP and team you have chosen.
3. You are now a part of a Care Team!
